# FUNDAMENTALS OF PRIVATE PENSIONS

by

DAN M. MCGILL, KYLE N. BROWN, JOHN J. HALEY, SYLVESTER J. SCHIEBER,  
AND MARK J. WARSHAWSKY

The decades-old authority on retirement plans in the United States is now completely updated to reflect recent developments, including:

- **The Pension Protection Act of 2006**
- An expanded and revised section on investments
- A new author on the team: Mark Warshawsky, Director of Retirement Research at Watson Wyatt Worldwide and a former Treasury official closely involved in development of the Pension Protection Act
- Accounts of all recent new practices, literature, and intellectual developments
